

Transcript of Evan and Sarah's Garmin Messaging Communication Fail

Evan is highlighted peach, Sarah is highlighted off-white

Ewan does not look like a good spot for a crash. Gonna continue on to the PTC and look for a spot on the trail

Jul 20, 2022 7:43 PM

Ok I'll watch for you

Jul 20, 2022 7:48 PM

That was a bust, all PTC trails around Ewan are closed/private property. Gonna continue on route and hope to find a spot

Jul 20, 2022 7:58 PM

Looks like Sunset is at 8:59 today.

Jul 20, 2022 8:05 PM

I'm not even at the PTC yet

Jul 20, 2022 8:05 PM

Look for the first dirt road from our route that connects to lavista off Gene Webb road, maybe about 1.25 miles from the pavement

Jul 20, 2022 8:11 PM

We don't actually take the PTC. They are all private property in this area

Jul 20, 2022 8:16 PM

Do you see the road I'm talking about on the map?

Jul 20, 2022 8:16 PM

I don't want to start paddling so I don't lose daylight to catch up with you. I'm on Stephen Road

<note from Sarah after the fact: I was dictating and this should have read "I don't want to stop pedaling">

Jul 20, 2022 8:22 PM

Just passed the intersection with Patterson looks like I have a climb ahead

Jul 20, 2022 8:22 PM

Ok. Let me know when you are in Ewan and I will start making food for you so it will be ready by the time you get here. Sorry this is complicated right now

Jul 20, 2022 8:29 PM

I am pretty sure I'm way past Ewan

Jul 20, 2022 8:30 PM

This is where I am 47.14860, -117.65896

Jul 20, 2022 8:31 PM

I think you stopped and I didn't know lol. Do you want me to come back down?

Jul 20, 2022 8:32 PM

I thought you were still somewhere up ahead of me

Jul 20, 2022 8:33 PM

Send me your coords and I'll come to where you are

Jul 20, 2022 8:34 PM

Try looking on the map for that road between our route and lavista. I am on that road

Jul 20, 2022 8:35 PM

N47.139099° W117.699192°

Jul 20, 2022 8:37 PM

You likely caught up to me, I checked out a lot of places

Jul 20, 2022 8:37 PM

Coming back down to you now

Jul 20, 2022 8:40 PM

Oh shit, you are way past me. How about you find a place to camp and I come to you

Jul 20, 2022 8:41 PM

Ok. Sorry for the confusion

Jul 20, 2022 8:41 PM

Ok. I'm good with that. There are options. I won't go too much farther

Jul 20, 2022 8:42 PM

To clarify, I'm not coming down to you. I'll find a place for us here. This is hilarious. 😂

Jul 20, 2022 8:42 PM

Clear, I'll come to you. Gonna be a bit, I need to reload my bike

Jul 20, 2022 8:44 PM

I do have a sweet spot though 😊

Jul 20, 2022 8:45 PM

My spot will likely be a ditch but it will be an adventure!

Jul 20, 2022 8:48 PM

If you want to just stay where you're at and we can meet up in the morning that's fine too no worries

Jul 20, 2022 8:49 PM

No bugs and a great view

Jul 20, 2022 8:51 PM

I would like to stay here over a ditch. I bet you'd like it here

Jul 20, 2022 8:51 PM

Ok I'm coming back down

Jul 20, 2022 8:52 PM

Yay!
